O R D E R:

The Surgeon General reported that the following members of the Nursing Staff, who were deputed for military duty, have been released from the Army Service but they have not yet re-joined duty in their civil posts:-

)

2. As soon as these nurses were released from military duty, they should have re-joined in their civil posts or at least communicated to the civil authorities their whereabouts. Their failure to do this, amounts to wilful absence from duty and they can be removed from service without following the prescribed procedure- vide rule 15 (c) of the Madras Civil Services (classification, control and Appeal) Rules. The Surgeon General is, however, requested to send a communication to the nurses concerned to their last known addresses asking them why they should not be removed from service for wilful absence. If no reply is received within a month, the nurses mentioned above may be removed from service.

3. The Surgeon General is requested to send a report in due course of the final action taken in the matter.
